03 PAYMENT

SRUSTI Account

Pay the college

IPL Auction / ₹99 total

OFFICIAL QR REQUIRED

Not a payment code

The approved college beneficiary and exact amount must appear here before checkout is enabled.

Transaction reference

Attach payment evidence

Submit details for review

Illustrative review state. No real payment QR, student record or transaction is displayed.

Volunteer operations built for the gate

Duty-bound scanning • Clear server-confirmed results • No payment approval authority

VOLUNTEER WORKSPACE

IPL Auction · Entry desk

Assigned session and shift required

Camera preview
Scan an individual event pass

Start camera

Use support reference

No connection? Attendance is not recorded. Contact the station supervisor.

SCAN RESULT

Recorded

Identity matched • Correct session • First valid check-in

SCAN RESULT

Already checked in

Show the original time. Do not create another attendance record.

SCAN RESULT

Not recorded

Wrong event, revoked pass or unavailable connection. Show the next action.

Server validates the current pass, role, duty, event and duplicate constraint before returning success.

Admin work starts with the next action

Scoped operational queues • Auditable finance reviews • Super-admin approval where required

SAMPLE DATA

12	03	02
Awaiting review	Needs correction	Late credit exceptions

REFERENCE	EVENT	AMOUNT	STATUS
SAMPLE-001	IPL Auction	₹99	Under review
SAMPLE-002	Srusti Bazar	₹299	Needs information
SAMPLE-003	Exhibition	₹199	Late credit

Open a record to match the actual bank credit, review evidence and record an attributable decision.

No screenshot-only approval

Reviewers cannot verify their own payments. A verified credit is allocated once; every decision is audited.

Super admin: institution-wide scope, named role grants, beneficiary approvals, result publication and recovery.

A coherent asset system

Original PDF artwork • Named source copies • Responsive exports • One new decorative background

Record attendance

Scoped online scan

Decisions required from the college

FINANCE

Official QR and beneficiary; two approvers; refund policy.

ED CELL

Individual entry allocation, final award names, timetable and rules.

SRUSTIPROSAR

Game fees, format, squad sizes, scoring, sessions and prize split.

IT AND OPERATIONS

Named staff, sender domain, hosting ownership, support and rehearsal.

The master plan includes responsibilities, state transitions, source conflicts and 40 future acceptance tests.

Super admin oversight and approvals

Institution-wide visibility • Separate organizer scopes • No self-approval of sensitive changes

Institution control

MFA VERIFIED

ED Cell + Srustiprosar

Staff authority

Named roles with scope and expiry

Critical approvals

Beneficiary, refunds and publication

Audit and recovery

Trace changes and revoke access

Payment profile activation

STATE: AWAITING INDEPENDENT APPROVAL

The official QR, decoded destination and beneficiary must be checked against college finance records. The proposer cannot approve their own change.

1 Finance evidence and test transfer recorded

2 Different authorized approver verifies the destination

3 Activation creates a new version and security notification

Access review

Grant only the required organizer scope

Require recent MFA for privilege changes

Revoke active duties and sessions promptly

Protect the last active super admin

Record a reason for every override

A teacher or student may hold an assigned staff role. Sign-in choice, email suffix or a hidden menu never grants that authority.

Clear workspaces for students and teachers

One identity can have several approved roles • Student data and staff authority remain separate

Esports registrations appear here separately once the game rules and registration settings are approved.

Profile • Team invites • Notifications • Help

Teacher workspace

Verified identity / Explicit assignments

Assigned judging

Brand War / ED Cell

Score assigned candidates using the approved rubric.

Open assigned rubric

No assignment yet?

Request an assignment from the organizer. A teacher account alone cannot manage events, review payments or grant staff access.

Switch workspace only when another approved role exists. An active staff session still requires MFA.
